

CONVERDYN*News Wire* – **May 2007**

An up-to-date information bulletin on the nuclear fuel cycle

Our Mission: We will be the premier provider of nuclear fuel cycle services with customer satisfaction as our primary focus – Unique, Innovative and Successful.

May 31, 2007

ORGANIZATIONAL CHANGES

ConverDyn is pleased to announce the following personnel changes for the company:

Mr. Chris Frankland has been promoted to Director, European Marketing and Uranium Logistics reporting to the President. In addition to handling all uranium supplier logistics, Chris will be responsible for the relationship with the European enrichment companies.

Mr. Al Stratemeyer has been promoted to Director of Financial Analysis & Contract Administration. Al is located at the Metropolis plant and reports to the Vice President of Finance.

Mr. Michael Marti has joined ConverDyn as Manager Nuclear Accountability & Engineering reporting to the President. Michael had previously been with Baker Petrolite as a process engineer and is a graduate of the University of South Alabama with a BS in Chemical Engineering.

#####

In order to keep our customers, suppliers and friends current on important timely topics that require immediate communication – we send out the ConverDyn News Wire periodically. Comments and suggestions are welcomed as always.
